

Your journey from school to work starts with the first **STEP**

We are pleased to announce that in 2016 GSI is offering 100 Structured Workplace Learning opportunities across both the metropolitan and some regional areas of Western Australia in our supported working environment for eligible years ten to twelve students with a disability.

Students will also have the opportunity to transition into School Based Traineeships facilitated by GSI and undertaken in conjunction with an external Training Organisation.

For further details, or to register your interest, please email step@gsi.org.au or call **9463 0560**

Supported by the Department of Education's Non-Government Centre Support

Delivering good services to people with disability so they can enjoy a good life

HOW ARE WE GOING TO DO IT?

Play to our strengths – sustainable and inclusive services make steady progress and prosper – through services that include consumers and is open to their input

AND WHO FOR?

Those living with disability – both individuals and their carers

WHAT ARE WE GOING TO DO?

Build employment and life skills i.e, training, recreation, planning, support & transitioning through life's key stages, e.g. getting a job
